

Declaration of Interest

A. General Information

Full Name: Lauren Cipriano

Date (MM/DD/YYYY): 9/1/2021

B. Declaration of Interest

Please fill out the following table by indicating whether you or your institution have received compensation, regardless of the amount, in the form of payment or services, from entities in the health care, public health, or other related arenas that could be perceived to influence your participation at the Modelling Consensus Table, and its partnership with the Science Table, or related aspects. Please report all compensation that has been received in the last 3 years prior to the Modelling Consensus Table's collaboration with the Science Table.

If you have selected 'Yes' for any of the categories below, please indicate whether the compensation is related to COVID-19 or not, the name of the entity providing the compensation, and an explanation. If you have more than one relationship for each Category, please ensure to include all of them by selecting the '+' sign at the end of each row.

Category	No	Yes, paid to you	Yes, paid to your institution	Related to COVID-19?		Entity	Explanation
				No	Yes		
Grant	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	Canadian Immunization Research Network (CIRN)	Co-investigator. Modelling to inform COVID-19 vaccination rollouts based on vaccine characteristics (PI: Moghadas, York University)
Grant	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	Canadian Institutes of Health Research (CIHR)	Co-investigator. C. Other Relationships

Are there any other relationships or activities that could be perceived to influence your participation at the Modelling Consensus Table, and its partnership with the Science Table (COVID-19 related or not)? Please select one of the following:

- No, there are no other relationships/conditions/circumstances that present, or may be perceived to present, a potential conflict of interest.
- Yes, there are relationships/conditions/circumstances that present, or may be perceived to present, a potential conflict of interest.

If you have selected 'Yes', use the following table to indicate whether the relationship is related to COVID-19 or not, provide the name of the entity (if applicable), and an explanation describing the nature of the relationship. If you have more than one relationship, please ensure to include all of them by selecting the '+' sign at the end of each row.

Category	Related to COVID-19?		Entity	Explanation
	No	Yes		
Relationship	<input type="checkbox"/>	<input checked="" type="checkbox"/>	London Health Sciences Centre	On a volunteer basis and in collaboration with their clinical leaders, I regularly provide COVID-19 projections for the London-Middlesex region to LHSC leadership.
Relationship	<input type="checkbox"/>	<input checked="" type="checkbox"/>	Medical Decision Making and MDM Policy & Practice	I am the Deputy Editor for these two journals in the field of medical decision making and health policy. In that role I make editorial decisions, in collaboration with the Editor in Chief, about manuscripts submitted to the journal, some of which are related to COVID-19.

D. Acknowledgement

I certify that the above information contained in this Declaration of Interest is true and correct to the best of my knowledge. If any matter that gives rise to, or may be perceived to give rise to, a conflict of interest during my participation at the Modelling Consensus Table, and its partnership with the Science Table, I will promptly notify the Secretariat of the Modelling Consensus Table and provide an updated Declaration of Interest.
